Re: Pembroke Pines Charter Schools  
Pembroke Pines, Florida

Mr. Paul Edelstein  
Operations Manager  
City of Pembroke Pines  
13975 Pembroke Road  
Pembroke Pines, Florida 33027

Dear Mr. Edelstein:

In accordance with the Asbestos Hazard Emergency Response Act, 40 CFR, Part 763 and as the Project Architect responsible for the construction of the charter schools designed and constructed by Haskell, I hereby submit the following statement:

I, John D. Malinowski, AIA, Project Architect for Haskell, certify that no asbestos containing building material (ACBM) was specified as a building material in any construction documents prepared for the charter school system in Pembroke Pines, Florida, as designed by Haskell. I further attest that, to the best of my knowledge, no ACBM was used as a building material in any of the charter schools constructed by Haskell.

Sincerely,

John D. Malinowski, AIA

Pembroke Pines, Florida 33027

Dear Mr. Edelstein:

As the Project Architect responsible for the construction of the Pembroke Pines East, West, Central and Pembroke Shores Additions designed and constructed by Haskell, I hereby submit the following statement:

I, John D. Malinowski, AIA, Project Architect for Haskell, certify that no toxic building materials were specified as a building material in any construction documents prepared for the charter school system in Pembroke Pines, Florida, as designed by Haskell. I further attest that to the best of my knowledge, no toxic materials were used as a building material in any of the schools' additions constructed by Haskell.

Sincerely,

John D. Malinowski, AIA
